FARINGDON
COMMUNITY COLLEGE

Friday 11th October 2024

Dear Students, Parents and Carers

The new school year at Faringdon Community College has been packed full of positives. This is best illustrated by our recent Open Evening. It was a pleasure to welcome so many families to FCC to share in the subjects, opportunities and enrichment that run through our school. I would like to thank all the staff team for everything that went into a very special event, and in particular recognise the hundreds of students who helped out. It was a pleasure to hear such positive feedback from our visitors about our children from Year 7 to 13, the warm welcome and the pride that they showed in their school

An FCC USP is the range of opportunities, trips and visits that students can enjoy. Just a few recent highlights include Year 7 at Court Hill, the Sixth Form trip to Monte Casino, the Battlefields trip and the Iceland trip. Sixth Formers are gearing up for their trip to Uganda, all part of enriching experiences and broadening horizons.

At Open Evening I shared some of the coming developments at FCC. This includes two new building projects, plans for refurbishment of toilets and other changes to the site.

We have introduced a new model to focus on instances of bullying of any form, consistent with our value of belonging and building our inclusive, compassionate community.

We look forward to sharing further developments in our behaviour management system to support the positive behaviour we see from the vast majority of students across the school, in and out of classrooms.

A reminder that Friday 25th is an INSET day and Monday 4th November is the Cambrian Learning Trust conference day, when the school will also be closed to students on both days.

With such a great deal happening at FCC we will soon be relaunching our social media presence so that families can gain a sense of life at FCC and the range of great things that our students and your children are achieving.

Yours sincerely

Jonathan Dennett
Headteacher

Belong - Believe - Aspire - Achieve

CAMBRIAN
Nurturing Growth - Inspiring Minds

FCC is committed to safeguarding and promoting the welfare of children and individuals.
