FARINGDON
COMMUNITY COLLEGE

Dear Parents and Guardians,

6 March 2026

Welcome to FCC and the Transition programme for 2026. We are delighted that you have chosen our school for the next stage of your child's education journey. This is often an exciting and nervous time of year for both students and parents. We will endeavor to make this process as smooth and enjoyable as possible over the coming months.

Moving forward through the process, contact will primarily be made via your email addresses and current primary school. All updates will be uploaded to the school website under the tab of Join Us – Year 6 Transition.

You will soon receive the first of our Transition newsletters which will include key dates and further information regarding parent meetings and opportunities for your child to visit FCC. Our Transition team consists of pastoral staff and our SEND department, both with a wealth of expertise on hand to support you and answer your queries. There will be several opportunities for you and your child to meet members of the team at your feeder primary school and at FCC over the coming months.

The Transition team will be working with your child's current school to gain a picture of each new student, including academic ability, friendships, hobbies, and areas in which they may need support. This will help us to determine their requirements in the first few months of school and allocate resources accordingly.

After the Easter holidays we will be sending out a link to a Google Form for you to record any information about your child that you feel would be helpful for us to know in building a picture of them, in addition to the standard enrolment details you would expect.

The enrolment process may seem a little overwhelming at first, but please be reassured that staff are on hand to answer your queries both in your feeder primary school and here at FCC. If you wish to contact the

Transition team, you can do this by emailing Transition@fcc.cambrianlt.org

This account is monitored regularly, so please do not hesitate to contact us if you have a question. Alternatively, speak to your feeder primary and they can contact us on your behalf.

We look forward to meeting you and your child(ren) very soon and welcoming you to Faringdon Community College.

Kind regards

Lisa Barker
