

## Faringdon Community College Weekly Update 5 March 2026

### SLT Weekly Message

To celebrate World Book Day on Thursday 5 March, every FCC student will have the opportunity to participate in a book quiz during tutor time. KS3 students will be presented with a book to take home, and activities and games will be open to all year groups in the library. Reading for pleasure is key to maximising academic attainment as well as unlocking gateways into rich histories and alternative worlds. The more that can be done to develop and sustain young peoples' intrinsic motivation to read throughout their school journey, the more success they will enjoy both academically and in future life. With 2026 the National Year of Reading, it's a great time to get involved. [There's even a book token that can be used online or at bookshops](#)

### Messages

- [Y8-9 Iceland visit 2027](#)
- [Y10 Parents' Evening Letter](#)

### Notable Dates

- Tuesday 10 March: Y11 Macbeth performance
- Thursday 12 March: [Y10 parent's evening \(online\)](#)

### Weekly Reminder

Student Services have amassed a collection of lost property including school shoes, football boots, sports bags and coats. Any unclaimed items will be donated to charity at the end of March.
