Dear Parents and Carers

Y7 Parents Evening - Online

Y7 Parents Evening is taking place **online** on **Thursday 14th May 2026** and staff will be available from 4.30-7.15pm should you wish to discuss your child's progress with them. This event is for subject consultations, not tutor consultations.

Appointments can be made via the following link <https://fcc.parentseveningsystem.co.uk> or by using the icon (under 'Useful Links') at the bottom of the school website's front page. Please note that when logging into the system, you will need to provide yours and your child's details as an exact match to how we have them on Bromcom. The online booking system will open at 7pm on 4th May and will close at 11:55pm on 11th May. After this time, you will not be able to amend any appointments that you have made. You may find that one or two of your child's teachers are only available on Wednesday 13th, this is correct, but the majority of your appointments will be on Thursday 14th May.

It is important that you are aware that the system works on a first come, first served basis, therefore, the earlier you book your appointments, the greater chance you will have of securing the timeslots that you would like. Appointments will appear in 5-minute slots. Should you experience any issues when making your booking please contact me, via email - clloyd@fcc.cambrianlt.org

On **14th May** please login up to 60 minutes before your first appointment time, to ensure that you are ready to accept your first incoming call. Appointments will automatically disconnect after 5 minutes, and a timer will appear on the screen when your appointment commences.

Please follow the link below to a video detailing instruction on how to book and attending a virtual appointment.

It may not be possible for you to speak to all the teachers you would like to. However, please remember that more detailed discussions with any subject teacher can be arranged at any time of the year should you have areas of concern.

Yours sincerely
