FARINGDON
COMMUNITY COLLEGE

July 2024

Dear Parent/Carer,

We are writing to update you on the school buses provided by Oxfordshire County Council.

As you will be aware, we are keen to ensure the highest standards of behaviour from our students, both on and off site. To that end, we wanted to highlight the process of reporting inappropriate student conduct on the buses. The vast majority of our students behave impeccably on the transport provided by the County. However, we are keen to ensure that students who do not meet our high standards while away from the school site are addressed swiftly.

To that end, we invite you to report any future concerns to the school by completing the following Microsoft Form - <https://forms.office.com/e/TcS7r83cF9>

Please note that responses will be checked daily during the working week.

It is important to note that any student who behaves inappropriately on transport provided by Oxfordshire County Council is at risk of being banned from the transport and the responsibility to transport the student to school would then fall to the parent/carers.

Please see the Oxfordshire County Council '[School Transport Code of Conduct](#)' for more information.

We thank you for your ongoing support
