FARINGDON
COMMUNITY COLLEGE

Dear Parents/Carers

College Experience Day Tuesday 2nd July

We are offering your child the opportunity to take part in a College Experience Day at New College Swindon (North Star campus). This is a chance to explore what they might like to do for their next step after Year 11.

This is probably more suited for those students who are interested in a vocational route after Year 11. The students will have the opportunity to take part in two taster sessions, one in the morning and one in the afternoon. Although we don't have final confirmation from the college about which taster sessions will be on offer yet they are likely to include such subjects as Hair, Motor Vehicle, Construction, Computing, Animal Care, Business, Catering and more. The students will make their choices nearer the time. Information about New College Swindon can be found here <https://www.newcollege.ac.uk/>

Please note that numbers for this trip are limited and it will be strictly first come, first served. If your child would like to go, please email me by Thursday 23rd May. Nearer the time you will then be sent the link to make your choices of taster sessions.

If you have any queries, please do get in touch with me.

Tina Belcher
Careers Adviser
