COMMUNITY COLLEGE

September 2025

Dear Parent/Carer,

Re: Supporting Your Child's Science homework with Educake

We hope this letter finds you well. As part of our ongoing commitment to supporting Year 11 students in their science education, we are writing to ask for your support in encouraging your child to regularly complete their science homework through **Educake**, our online learning platform.

From this term onwards, **homework for Biology, Chemistry, and Physics will be set every fortnight** on a Monday beginning from **15th September, 2025**. Each quiz is carefully designed to reinforce class learning, identify gaps in understanding, and build the exam skills students need for success at GCSE. To ensure that all students stay on track and remain motivated, we will be awarding points on Epraise for the regular completion of their homework.

Furthermore, we are introducing the **Educake Leaderboard**, where the top 5 students with the highest points will be recognised and awarded points on Epraise. This is designed to celebrate hard work and dedication, as well as to motivate all students to consistently perform their best.

Regular completion of Educake homework helps students:

- Revise and recall key concepts more effectively
- Practise applying knowledge in an exam-style format
- Receive instant feedback to support independent learning

We kindly ask for your support in helping your child:

- Check Educake regularly for new assignments
- Set aside time each fortnight to complete the tasks
- Aim for high effort and full completion of each homework

COMMUNITY COLLEGE

Thank you for your continued support. With home and school working together, we can give our students the best chance of achieving their full potential in science.

If you have any questions or need help accessing Educake, please do not hesitate to get in touch.

Warm regards,

Mrs Fernandes
