Faringdon Community College Weekly Update
19 March 2026

SLT Weekly Message

Over the past couple of weeks, we've seen the first of the Year 11 exams begin, along with the start of the farewell countdown marked by the leavers' grandstand photos. Revision sessions are running throughout the Easter break for students sitting exams in the summer term, providing a fantastic opportunity to consolidate learning in a supportive and nurturing environment.

Great thanks go to all the staff who are generously giving up their time to lead and support these sessions.

Please have a look at the attached document which includes our specific school provision in the appendix. If you have any questions about our approach, please ask. Your feedback is important so that we help our pupils navigate this crucial area effectively.

Feedback can be provided via the Form RSHE (PSHE) Parent and Carer Consultation – Fill in form

The deadline for feedback is the end of this term, Friday 27th March. The policy will be amended in the light of feedback, will be discussed and approved by Trustees and published by 22nd May in preparation for delivery from September 2026.
