FARINGDON
COMMUNITY COLLEGE

February 2026

Dear Parents and Carers,

I am writing to update you on the ongoing programme to upgrade and improve student toilet facilities across the school. As you may be aware, several toilet areas were successfully refurbished in August 2025 as part of our long-term improvement plan. Further refurbishments are scheduled for August 2026 to ensure all students have access to high quality, safe, and hygienic facilities.

During the recent February half term break, repair and maintenance work was carried out across the school site to keep all toilet areas fully functioning. However, four toilet cubicles located on the ground floor of the Wilson Building have been identified as requiring full refurbishment rather than repair. These facilities will be upgraded during the summer holiday. For the remainder of the academic year, these four cubicles will be closed to students to ensure safety and to allow preparations for the refurbishment work.

We would also like to take this opportunity to remind all parents and carers of our expectations for respectful and responsible use of the toilet facilities. Students must not eat or drink in toilet areas, mobile phones must not be used inside toilets under any circumstances, and only one student is permitted in each cubicle at a time. These expectations are in place to maintain safety, privacy, and hygiene for all students. We ask for your support in reinforcing these expectations with your child.

Thank you for your continued cooperation and support as we work to maintain and improve our school environment.

Yours sincerely

Lisa Barker
Headteacher
