April 2026

CERN & GENEVA VISIT **Thursday 4 to Sunday 7 February 2027**

We are excited to be investigating the opportunity to visit Geneva and the European Organization for Nuclear Research with A-Level Physics students to support the curriculum and enhance learning experiences within the school.

The cost is expected to be in the region of £575 per pupil based on a minimum number of 20 students. This price includes:

- Return flights to Geneva from London Luton (hand luggage only)
- All transport and transfers
- 2 nights' accommodation on a half-board basis at Geneva Hostel
- A guided tour of the UN

The itinerary for the trip will also include visits to the History of Science Museum, Geneva's Waterfront and Old Quarter, a guided tour of CERN and associated exhibitions.

In addition to the cost of the visit, spending money for the trip will also be required to cover lunches while in Geneva.

Please note that all students taking part in this visit must have their own passport. In addition, each child must have either a European Health Insurance Card (EHIC), or Global Health Insurance Card (GHIC). Any travel visas, where necessary, must be organised by parents.

Spaces on this tour are limited. Should we receive replies in excess of spaces available, the required number of students names will be selected at random and unsuccessful applicants will be put on a reserve list.

PLEASE DO NOT SEND ANY MONEY AS PAYMENT WILL BE MADE THROUGH YOUR PARENTPAY ACCOUNT. YOU WILL BE NOTIFIED WHEN TO DO THIS. PLEASE ENSURE YOU ARE REGISTERED WITH PARENTPAY AND YOUR DETAILS ARE UP TO DATE.

Financial assistance is available if you are in financial hardship and by special arrangement with the school.
