Meet The Tutor Event

Wednesday 1st July

This event is the first opportunity for you and your child to meet their new tutor and tutor group. The students will complete activities with their new group in classrooms while parents are given a short presentation from senior staff in the main hall. After the presentation the students return and there is time for you to speak to the tutor if you wish and meet key staff. Before the main presentation there will be a separate talk by our SEND team where staff will be able to answer any queries.

Transition Days

Tuesday 7th and Wednesday 8th July

These are the main transition events for Year 6 and involve all new students attending FCC for two days. They will take part in sample lessons and tour the school while getting to know all the essential areas of school life. Students will not attend their primary schools on these days and will need to be dropped off at FCC by parents as primary staff will be completing their own internal class handovers.

First Day of School

Thursday 3rd September 8.40am

Instructions regarding each event, including timings, will be sent directly to you and your school in due course and added to our Transition page on the website but should you require any further assistance please do not hesitate to contact us on the following email:

Transition@fcc.cambrianlt.org

We are delighted that you have chosen FCC as the school for your child and we look forward to meeting you all very soon.

Kind regards,

Julia Nichols
Head of Year 7/Transition
