

FOOD AND NUTRITION – Level 3 with UCAS points

Examining Board
WJEC

Link Tutor
Mrs G Green

Method of Assessment: Coursework and exams

Course Content:

Unit 1 (double unit)

Meeting the nutritional needs of specific groups – this will be examined at the end of Year 12. The exam is a mix of short/medium answer questions and a case study.

Unit 2

Ensuring Food is Safe to Eat – an eight hour, on line, timed assessment completed in year 13 – from 1 May onward

Unit 3

Experimenting to solve food production problems – coursework completed in Year 13

Lesson style:

A wide variety of styles are used

Time Allocation:

4 hours weekly

Private Study Requirement:

Coursework is drafted and revised independently

Advisable for following careers:

Food Technologist, Buyer, Nutritionist, Dietician, Home Economist. Teaching and Lecturing, Chef

Good Combination with:

Biology, PE, Chemistry
